

# Archit Gupta

## MEMBER OF TECHNICAL STAFF- III

I'm a dedicated front-end developer with 1.5+ years of ReactJS experience, specializing in HTML, CSS, JavaScript, and seamless third-party REST API integration. I excel in user story grooming, ensuring alignment with requirements, and oversee the full SDLC, from ideation to deployment. Proficient in Agile Scrum, I facilitate effective project management, adapting to evolving needs. My skills drive successful outcomes.

## WORK EXPERIENCE

### MEMBER OF TECHNICAL STAFF-III NINELEAPS

01/2022 - Present

*Nineleaps: Empowering partners for future readiness! Their superhero team tackles complex challenges, prioritizing exceptional user experiences.*

#### Skillset

- Front-end Development: Proficiently utilized ReactJS to create responsive web interfaces, emphasizing HTML, CSS, and JavaScript.
- Team Leadership: Led cross-functional teams, fostering collaboration, meeting deadlines, and ensuring top-notch code quality and best practices.
- Agile Scrum: Leveraged Agile Scrum methodology for effective project management, adapting to evolving requirements and ensuring a collaborative development process
- SDLC Oversight: Proficiently managed the entire Software Development Life Cycle (SDLC), orchestrating end-to-end workflows to enhance various modules and processes.
- API Integration: Seamlessly integrated third-party REST APIs to optimize data exchange and enhance application functionality.
- Code Quality Assurance: Maintained high code quality standards through thorough code reviews, ensuring adherence to best practices and coding guidelines.
- User Training: Provided user training and support when necessary, ensuring clients and end-users could effectively navigate and utilize the developed applications.

## EDUCATION

### Bachelors of Technology Graphic Era Hill University

07/2018 - 07/2022

8.4/10 CGPA

#### Courses

- Computer Science

### Intermediate Beverly Hills School

05/2017 - 12/2018

82.3%

### Matriculation Beverly Hills School

04/2015 - 05/2016

10 CGPA

## TECHNICAL SKILLS

HTML

CSS

JavaScript

ReactJS

MUI

Bootstrap

Redux

Tailwind CSS

SonarQube

## PROJECTS

### Yuva Health Application (07/2022 - Present)

- The YUVA Health team is composed of individuals with diverse backgrounds, including insurance, healthcare, and wellness. The team collaborates with technology experts to achieve significant milestones, including the successful launch and implementation of India's first Cashless Outpatient Department in both Rural and Urban India.
- **Role And Responsibilities**
- Led detailed requirement analysis, implementing strategic approaches aligned with project goals for effective execution.
- Took charge of team's commitment to on-time delivery, ensuring accountability and meeting requirements consistently.
- Managed code implementation, conducted iterative reviews, and skillfully integrated feedback in Agile methodology, enhancing development efficiency.
- Key contributor in feature delivery phases: user story grooming, prototyping, feasibility assessment, design, implementation, and rigorous testing.

### Event Finder (01/2022 - 07/2022)

- Event Finder is a tool designed for planning events of all sizes, from small gatherings to large-scale festivals, conferences, ceremonies, formal parties, concerts, and conventions. Web Application: We are developing a user-friendly web application dedicated to event management.
- **Role And Responsibilities**
- I actively engaged in every facet of the development cycle, from the inception of design concepts through to their full-fledged implementation.
- I took charge of conceiving and bringing to life innovative product features, ensuring they met and exceeded client expectations.
- Worked closely with clients, understanding IT needs, budget, and operations to deliver tailored solutions aligning with criteria.

## ACHIEVEMENTS

### Feather on the Hat

*Achieved five "Feather on the Hat" awards for outstanding commitment to work.*

### Rising Star

*Received the annual "Rising Star Award" in recognition of exceptional performance and contributions to the organization.*
